

SAYS GRADS ARE JUDGES OF HOW TO USE "TOOLS" OF EDUCATION

"Your parents, your teachers and your community have given you the tools by which you may carve a name for yourselves, but you alone must be the judge as to how you will apply those tools," Congressman James E. Van Zandt told 128 members of the graduating class of Gettysburg High School at commencement exercises Sunday night in the school gymnasium.

"It may be appropriate to remark at this time," he continued, "that Abraham Lincoln, in a personal letter to a friend before the Civil War, referred to his opportunity for education in these words: 'There were some so-called schools in Spencer County, Indiana, but no qualification was ever required of a teacher beyond reading, writing and ciphering, to the rule of three.'"

"There was nothing to excite ambition for education. Of course," said Lincoln, "when I came of age I did not know much." But Lincoln taught himself much later on, after school days were over. That is the key to all education. Its aim is to make men wise. Education means in its original sense merely the 'drawing out' of one's abilities. Lincoln knew that. Read his words and see how this man taught himself mastery of the English language. One has only to read his inaugural addresses, the Gettysburg speech, his letters and papers, to realize that by his own efforts Abraham Lincoln made himself not only an educated but a wise man.

"Moral Victories"

"You graduates should keep in mind that success is not measured by degrees of scholarship but by what is far more valuable, the moral victories achieved and the strength and nobility of character attained."

Pointing out the vast changes in the world in recent times, Congressman Van Zandt cited development of the A bomb, and atomic

Thousands Rush For Standing Room Along Glittering Route Of Coronation Parade Day Early

By PHILIP CLARKE

LONDON (AP) — Thousands upon thousands of excited people began the great rush for standing room along London's glittering coronation route today — a full 24 hours before Queen Elizabeth II's historic crowning and procession.

The capital took on the appearance of a great outdoor camp. Hundreds slept in parks and along streets in the chill of last night. As dawn broke, thousands more swelled the waiting throngs.

Portable Stoves For Tea

Nearly half a million squatters were expected to spend tonight, coronation eve, in the open to await the start of the biggest show in a lifetime.

They brought bedrolls, blankets and even hammocks to swing between trees.

Whole families slept on rugs. Some brought portable stoves to make tea. Most brought enough food to last out their long vigil.

5,265 Visit Here Over Weekend

In spite of the inclement weather over the weekend which twice forced cancellation of the annual Memorial Day parade, National Park Service officials estimated that there were 5,265 visitors here Saturday and Sunday.

Making their estimates from the number of guided trips through the National Cemetery and over the battlefield, officials said 2,632 persons toured the historical points in private automobiles Saturday and 11 buses added 357 more, for a Saturday total of 2,989.

On Sunday, the Park Service said, 2,044 persons toured the battlefield in private cars and 232 more in eight buses, for a day's total of 2,276.

Last year's Memorial Day fell on Friday. The Friday and Saturday visitation totaled 7,671.

MORE AWARDS ANNOUNCED AT SCHOOL TODAY

The Edward J. McPherson Memorial award winners and the selection of Curvin E. Krout Jr. for the High School Service Award were announced today at the Gettysburg High School.

Carolyn Ketterman, daughter of Mr. and Mrs. Paul Ketterman, 114 Steinwehr Ave., won the first prize of \$10 for girls in the Eighth Grade and Ann Eckert, daughter of Mr. and Mrs. Mark Eckert, 207 Springs Ave., won the \$5 second prize for girls.

The first prize for boys was won by Jon Wagnild, son of Prof. and Mrs. Parker B. Wagnild, E. Lincoln Ave., and the second award for boys was awarded to Gene Hoak, son of Mr. and Mrs. Spencer Hoak, Gettysburg R. 2. These four cash awards are made each year on the basis of scholastic standing to the two highest boys and two highest girls in the Eighth Grade.

The selection of Mr. Krout for the High School Service award was by vote of the faculty. The honor is conferred annually upon a student "for outstanding service to the school" in ways not covered by other awards. Krout excelled in art, did decorations for parties and dances, did art work for the Maroon and White and for the yearbook of which he was art editor.

The service award was given first in 1951 to Arthur Aiken and last year to Sidney Shade.

IRA Y. BAKER IS ASSISTANT SUPT. IN YORK

Ira Young Baker, supervising principal of Manchester borough schools since 1942, has been elected assistant superintendent of the York County Schools. Baker, who resides at 1861 North George St., York, succeeds Harry W. Shenk, who resigned recently to accept a position as supervising principal of the new Dallastown area jointure.

Proposed for the York County post by Harvey E. Swartz, county superintendent, Baker received the unanimous endorsement of the five-man York County School Board. He will assume his new duties July 1, filling the unexpired term of Shenk, whose resignation was accepted at the board meeting last Thursday night.

Baker, who served as both assistant superintendent and superintendent of Adams County schools before going to Manchester, received his early education in Adams County public schools. He received his secondary training from Shippensburg.

YORK SPRINGS COUPLE WEDS

Miss Carolyn Mae Gochenaur, daughter of Mr. S. Geraldine Gochenaur, York Springs, became the bride of Donald Leroy Lehman, son of Mr. and Mrs. Paul Lehman, York Springs, Sunday, in the York Springs Lutheran Church. The double-ring ceremony was performed by the Rev. Norman L. Bortner, pastor.

The bride, who was unattended, wore a white tailored suit with matching accessories and a corsage of red roses. Following the ceremony, the couple left on a wedding trip to Niagara Falls and the New England states. They will make their home in York Springs.

Mrs. Lehman, who attended the York Springs High School, is employed at the Dillsburg Shoe Factory. Her husband, who was graduated from the York Springs High with the class of 1947, is employed by his father in the milling business. He spent two years in the service 15 months of which were spent in Germany.

WETTEST MAY IN 10 YEARS HERE; COLDEST MAY 30 IN HALF CENTURY

With rain falling on 19 of the 31 days last month, the holiday showers that upset plans for celebration of Memorial Day here made the month that ended Sunday the wettest May here in 10 years. Weekend rains here totaled 2.45 inches.

It was also the warmest May since 1944 when the highest May average on record here was set.

The high temperature here on May 30 was only 60 degrees making it the coolest Memorial Day experienced here in the last half century. The nearest approach to that low mark was in 1915 when the high was only 62 degrees.

May rainfall here totaled 6.69 inches which is 2.77 inches above normal. It was the wettest May since 1943 when the total was 7.27 inches here but far from setting a May record. The wettest May in the records was in 1908 when rains measured 10.95 inches.

8 Extra Inches So Far

The May rainfall here brought the five-month total for Gettysburg to 23.36 inches and makes the accumulated excess of rain to June 1 8.54 inches. Each month this year excepting April has had a surplus of rain. April was less than a half-inch short of normal.

The heaviest rain of the month in any 24-hour period occurred Saturday.

LLOYD H. WOOD IS NEW OXFORD RITES SPEAKER

"Why waste time courting disaster through the role of isolationism?" Pennsylvania's Lieutenant Governor Lloyd H. Wood asked in his address at the annual Memorial Day exercises at New Oxford Saturday evening.

Wood's question came at the end of a lengthy summation of America's present position as leader of the free world and the threat posed by communism. "Of course, there are more than a few of our fellow citizens who feel that we should withdraw from defensive alliances," Woods said. "When one realizes that we were without foreign alliances at the outbreak of the first and second World Wars, it is difficult to see how an alliance could hurt us. Should the third World War start. Even though we had no binding commitments to enter either of those two wars, we got into them in a big way before they were stopped. What ever may have been the justification for our getting in or staying out of those two conflicts, the fact remains that we are the prime target if a third war starts. This being the case, why waste time courting disaster through the role of isolationism?"

Describing present world conditions—the Korean war, war in Indo-China and Malaya, the position of Russia in Europe, Woods summed up by saying, "The Soviets propose to destroy us the minute they find we are not strong enough to successfully

FOUR COUPLES ARE LICENSED

Marriage business continues brisk in Adams County, with licenses in good demand, according to the report of the county clerk of courts. So far this year 115 permits to wed have been granted, or 41 more than the 74 issued during the first five months of 1952.

May proved the best month so far this year with 30 licenses issued by the clerk during last month. Twenty-seven were granted in April, 19 in March, 21 in February and 18 in January. During the same months last year the number granted totaled January, 11; February, 14; March, 15; April, 15, and May, 19.

The last license issued in May went to William Thomas Portney, Abbottstown, son of Paul Edward Portney, Harrisburg, and Betty Zortman, daughter of George Washington Zortman, Abbottstown.

Three licenses were granted today, giving June traditionally the month of brides, a good start. The permits went to the following couples:

William Richard Newman, son of Mr. and Mrs. Edgar Harrison Newman, Fairfield, and Grace Jane McKeever, Fairfield, daughter of Mr. and Mrs. Edwin Thoms McKeever, Harrisburg R. 1.

Harry Richard Small, son of Mr.

Gives Baccalaureate At His Alma Mater

Dr. Harvey D. Hoover returned to his Alma Mater, Susquehanna University, at Selingsgrove on Friday and delivered the address at Susquehanna's ninety-fifth Baccalaureate Service.

Speaking on the subject "Continuing Your College to Completion," Dr. Hoover said, "College graduation is merely a doorway to a rich new field of experience—you must continue what you have been doing in college—continue making book friends that are worthwhile, keep up the practice of making friends with those near you, continue to learn to adjust to new situations and continue the habit of reserving a few quiet hours for meditation."

LOCAL COUPLE MARRIED HERE ON SATURDAY

Before an altar banked with gladioli and snapdragons, Miss Nancy Jane Ogden, daughter of Mr. and Mrs. Charles W. Ogden, 336 Baltimore St., became the bride of Pfc. Bruce Allen Westerdahl, Camp Lejeune, N. C., son of Mr. and Mrs. Carl Arnold Westerdahl, 260 E. Middle St., Saturday evening at 6:30 o'clock in the Trinity Evangelical and Reformed Church, Gettysburg. The double-ring ceremony was performed by Chaplain John R. Streig, uncle of the bride, assisted by Rev. Dr. Howard S. Fox, pastor. The traditional wedding marches were played.

Given in marriage by her father, the bride wore a mauve street-length two-piece silk dress with matching accessories. The nosegay which she carried was a white orchid surrounded by white carnations from which fell streamers of stephanotis. She also carried a white Bible, a gift of the bride's uncle, Chaplain Streig.

Reception Is Held

Miss Patricia Ann Meckley, Altoona, the maid of honor, wore an aquamarine street-length dress of taffeta with white accessories. She carried a nosegay of pink roses surrounded by white carnations and stephanotis.

John P. Grimmer, Germantown, was the best man and the ushers were William R. Ogden, York, brother of the bride, and Carl A. Westerdahl Jr., Gettysburg, brother of the groom. The bride's mother wore a beige nylon lace gown with brown accessories and an orchid corsage. The mother of the groom wore a navy blue dress in two-piece design with matching accessories and an orchid corsage.

After a reception at the bride's parents' home, 336 Baltimore St., the couple left on a honeymoon

DR. MYERS GIVES BACCALAUREATE AT DILLSBURG

"Tonight you stand at the fork of the road of your life," the Rev. Dr. Jacob M. Myers, professor of Hebrew and Old Testament at the Gettysburg Lutheran Theological Seminary, told members of the graduating class of the Northern High School (Dillsburg) Sunday evening in a baccalaureate address delivered at services in Barrens' Union Church.

"Some of you will continue your education. Some of you will begin almost immediately the long, hard grind of making a living. Sooner or later you will enter the blessed state of matrimony with its joys and trials. Whatever may be your inclination, you have a momentous decision to make and you can't escape it or put it off for long. Furthermore, you must be prepared to accept the consequences of your choice."

"Every legitimate occupation open to you presents its peculiar challenge. What you take into that vocation is what counts: the attitude

W. C. Brown Is Fired By Fine

HARRISBURG, Pa. (AP) — Gov. John S. Fine today fired Secretary of Welfare William C. Brown, and his top aide, M. William Denison, deputy secretary.

The governor acted after a conference with Brown over an order the welfare secretary issued last week to curtail operations of state hospitals for 30 days because of the tax deadlock in the State Legislature.

The governor objected to the order—and canceled it.

Rain Cancels Memorial Day Parade For The First Time; Cemetery Ritual Conducted

SIX INJURED IN 4 ACCIDENTS; \$3,200 DAMAGE

Six persons were injured, none seriously, in a series of four automobile accidents on Adams County highways over the weekend in which property damage totaled more than \$3,200.

Three automobiles were involved in an accident at the Heidlersburg intersection on the Harrisburg Rd. at 1:05 p.m. Saturday. State police said cars operated by Anna B. Moore, 51, of Waterford, Conn., Clarence Yeager, 49, of Shamokin, Pa., and Joseph Markle, 30, of Reading, were traveling south in a line of several cars.

As the driver of the first car came over the brow of the hill she saw another automobile crossing the intersection, police said, and slowed her own car. This, police said, started a "chain reaction" in which cars behind "bumped" those in front.

Mrs. Stella Yeager, 43, was brought to the Warner Hospital in the Pottiturf ambulance with a lacerated right leg and forehead and contused right ankle and knee. Anna B. Moore suffered bruised legs and was brought to the hospital by Pfc. Robert Brady of the state police. The injured were treated and discharged.

Damage Totals \$2,150

Damage to the Moore car was estimated at \$800, to the Yeager car at \$900 and to the Markle car at \$450.

Three persons were injured at 7:20 p.m. Saturday three miles south of Idaville on the Center Mills Rd., police said, when cars operated by Lester Eline, 18, of Brodbeck's R. 1, and John L. Sweeney, 23, of 81 Chambersburg St., sideswiped.

David Griffith, 5, suffered a contusion of the left cheek and Mrs. Rosie Griffith, 31, a contusion of the left chest. Sweeney suffered a contused left side. They were treated at the Warner Hospital. Damage to the cars was estimated at \$350.

2 Other Accidents

A car operated by George F. Arnold, 31, of Dillsburg R. 1, struck the automobile of Elder Jonathan Spivey, 33, of Harrisburg, at the intersection of the Harrisburg Rd. and the Cabin Hollow Rd., three miles south of Dillsburg at 5:30 a.m. Saturday, police said.

Gloria B. Spivey, 11, was taken to the Harrisburg Hospital for treatment of an injured right ankle.

Police said Arnold was driving toward the Harrisburg Rd. on the intersecting highway and on the down grade skidded and was unable to stop his car. He ran into the side of the Spivey car. Damage to Arnold's car was estimated at \$600, and to Spivey's car at \$150.

A car operated by Earl Sheriff, 45, of Carlisle R. 4, suffered \$25 damage at 4:15 p.m. Sunday when

NEGROES HOLD ANNUAL RITES IN ZION CHURCH

The contribution of the Negro to America and his patriotism as exemplified by his contribution to the armed forces were described Sunday afternoon by the Rev. Thomas E. Montouth of York at the annual Colored Memorial Day exercises held at St. Paul's AME Zion Church.

Rain washed out the previously planned parade from the Dorsey-Stanton American Legion Post to Lincoln Square and Lincoln Cemetery, and also caused cancellation of plans for the school children to strew flowers on the graves.

A brief parade was held, however, from the American Legion post to the church for the exercises there.

Senior Gives Address

From the Revolutionary War to the present time, the Negro has given his full share to the country's armed forces, Rev. Mr. Montouth said. He outlined the history of the participation by Negroes in the armed forces in all the nation's wars in various capacities, and described how many have won the highest awards for their military courage and skill.

Dwight Thomas, York, formerly of Gettysburg, was master of ceremonies. John H. Carter Jr., who graduated from Gettysburg High School Sunday night, gave Lincoln's Gettysburg Address. Rev. J. O. Fountain, pastor of the church, gave the opening prayer and the benediction.

David Jones provided patriotic lyrics on the organ. The Drum and Bugle Corps of the Brothly Love Lodge, No. 228, IBPOE, York, provided the music for the parade to the church.

School Party At Club Saturday

The "School's Out Party" will be held at the Gettysburg Country Club Saturday afternoon from 4 until 7 o'clock for children of club members under 13. The children may bring guests. The program includes swimming, games and an outdoor supper. The fee is 50 cents.

The committee includes: Mrs. Joseph M. Sullivan, chairman; Mrs. Robert A. Codori, Mrs. Gordon Webster, Mrs. Murray L. Goldsborough, Mrs. J. Albert Shulley and Mrs. C. H. Heldt.

CLUB TO MEET

The newly-organized 4-H Club of Latimore will hold its first meeting Tuesday morning at 9 o'clock at the home of Mr. and Mrs. Lawrence Gulden, York Springs R. D.

CHIEFS MEET THURSDAY

The June meeting of the Fire Chiefs Association of Adams County will be held Thursday night at 8 o'clock in the fire hall at McSherrystown.

DELIVERS TALK AT MUHLENBERG

"Ways and the Way" was the subject of the baccalaureate address given by Dr. Harry F. Baughman, president of the Gettysburg Lutheran Theological Seminary Sunday afternoon at Muhlenberg College, Allentown. Tonight Dr. Baughman will receive an honorary degree of doctor of humane letters at the Muhlenberg commencement exercises.

"There are always two ways opening before man," Dr. Baughman said in his baccalaureate sermon, "the way of human excellence and reliance, the way of trusting in self and the human and scientific accomplishments, which is the way the world has been walking, threatening to lead to the death of civilization."

"Way of Christ" Dr. Baughman said is the way of Christ. Dr. Baughman invited educated youth to choose the way that leads to this life.

The seminary president is a graduate of Gettysburg College, class of 1910, and the seminary in 1913. He was pastor of Trinity Lutheran Church, Keyser, W. Va., from 1913 to 1918, and St. Stephen's, Pittsburgh, from 1918 to 1925. He then served Trinity Church, Germantown, until 1941, when he joined the seminary staff. He was elected president in 1951.

Dr. Conrad Seegers, new president of Muhlenberg, was a member of the Germantown congregation when Dr. Baughman served that pastorate.

COUPLE WEDS IN ASPERS CHURCH

Miss Janet Evans, 2222 N. Third St., Harrisburg daughter of the late Mr. and Mrs. Harry W. Evans, Carlisle, and William T. Watson, Harrisburg, son of Mrs. Emma Heilig, Harrisburg, and the late William T. Watson, were united in marriage Saturday at 1 p.m. in Christ Lutheran Church, Aspers. The double ring ceremony was performed by the pastor, the Rev. Dr. O. D. Coble.

The church was decorated with white and pink peonies and pink and red roses.

The bride, a niece of Mr. and Mrs. Carl D. Neidick, Hampton, wore a white silk pique dress and hat trimmed with rhinestones and a small pink veil. She wore pink accessories. Her corsage was of pink roses and white feather earrings.

To Live in Harrisburg

Her sister, Miss Kathryn, Evans, was the bridesmaid. She wore a blue and white eyelet organdy gown with white accessories and a white hat similar to that of the bride. Her corsage was of pink roses. Walter Heilig, Harrisburg, stepbrother of the bridegroom, was the best man.

Mrs. Heilig, mother of the groom, and Mrs. Neidick, aunt of the bride, wore pink tinted gardenia corsages.

Following the ceremony a reception was held at Banker's Restaurant, south of Gettysburg. The couple left on a wedding trip of unannounced destination after which they will reside in Harrisburg.

The bride graduated from Carlisle High School and the Harrisburg Hospital School of Nursing. The bridegroom graduated from William Penn High School, Harrisburg, and is employed by the Wilsbach Distributors, Harrisburg.

College Grad Awarded Electronics Fellowship

John Bowman Thomas, an alumnus of Gettysburg College in the class of 1944, has received an RCA predoctoral fellowship in electronics for the academic year 1953-54. He is 27 years old, was born in New Kensington and was graduated summa cum laude and with departmental honors in physics. While attending Gettysburg College he held a senatorial scholarship for three years. In 1952, he received his B.S. in electrical engineering from Johns Hopkins University and entered Stanford in September, 1952, where he is completing the requirements for his doctorate.

He will pursue his fellowship at the School of Electrical Engineering, Stanford University, under Prof. David P. Tuttle, conducting research in the field of network synthesis. The long-range objective of his program is to afford a foundation on which a life-time career in teaching and research in the field of electronics can be built.

WCF Group Will Meet On Wednesday

A covered dish dessert will precede a meeting of the Women's Christian Fellowship of the Presbyterian Church Wednesday evening at 7 o'clock in the social room of the church. The program will be the sixth in a series of "Together We Seek" entitled "To Be Good Citizens." Dr. Harold A. Dunkelberger, associate professor of Religion and the Bible at Gettysburg College, will be the speaker. A film entitled "House of God" will be shown. Mrs. Chellis Overcash will be in charge of devotions. The vocalist will be Donald Bollinger.

Mrs. Della Hershey, hostess chairman, will be assisted by Miss Martha Dickson. Mrs. Edmund W. Thomas Jr., Mrs. Walter Meighan, Mrs. J. P. Cairns and Miss Anna Cairns.

PLAN CONCERT AT COUNTY HOME

The Biglerville High School Band will present a concert Saturday afternoon, June 27, in connection with the annual "Open House" to be held at the County Home under sponsorship of the County Home Auxiliary.

The band will present music from 2 until 3 o'clock that afternoon. Other entertainment is being secured for the remainder of the afternoon and evening.

Following the custom of last year, a member of the committee in charge said, entertainment of different types will be provided throughout the afternoon and evening for the county home guests and visitors.

A bazaar will be held in connection with the open house with tables for the sale of ice cream, sodas, barbecue sandwiches, hot dogs, canned goods, fancy work, cakes and other articles. Money raised is to be used by the auxiliary to purchase articles or provide services for the county home guests during the coming year.

In addition a special table will be set aside for the handicraft of the county home guests, many of whom derive their only spending money from the sale of articles at the "open house."

WETTEST MAY IN

and Saturday night with a total of 1.63 inches. Measurable amounts of rain fell on 17 other days and there was a trace of rain on a 19th day.

The average daily high reading here last month was 77 degrees. The low temperatures at the end of the month failed to offset the many warm days that were topped by 90-degree readings on May 11 and 12. The daily low averaged 53.35 degrees making the month's average temperature 65.27 degrees as compared with the normal of 61.9 degrees.

Arendtsville Report

The Arendtsville weather station report today showed an average temperature last month of 64.44 degrees which is 2.74 above normal there. The average daily high was 75.3 degrees and the average daily low 53.6 degrees. The high was 89 on the 11th and the low 40 on the 29th.

Rain there totaled 7.76 inches which is 3.45 inches above normal and 2.49 inches above last year's May figure. The accumulation for the first five months there is 25.50 inches which is eight inches above normal. Last month was the wettest May in 18 years at Arendtsville. The nearest approach was in 1942 at 7.7 inches.

138 Beginners Register In Littlestown For Fall Term

One hundred and eleven children were registered for enrollment in the first grade of the Littlestown Joint School System for the coming term. Registration was conducted on Thursday and Friday and will also be held on August 21 from 10 a.m. to 12 o'clock noon and from 1 to 3 p.m., at the grade building on E. King St.

Twenty-seven boys and girls were registered as beginners in St. Aloysius Parochial School at the recent registration, according to an announcement made on Sunday by the pastor, the Rev. Fr. Edward J. Shanahan.

All those children who will be first graders in the parochial school in the fall are invited to join in a get acquainted session and luncheon party at the school on Tuesday. They may go with an older brother or sister or a neighbor, to school in the morning and take their lunch. There will be games and the picnic lunch and dismissal early in the afternoon.

No Daily Mass
The pastor also announced that there will be no daily mass on Tuesday and Wednesday mornings. Mass on Thursday will be at 7:15 a.m. The First Friday mass, which always begins at 7:30 a.m., will not start until 8 o'clock this week. Graduation exercises will take place at the conclusion of the First Friday mass and other awards will also be presented. The school term will conclude on Friday, also.

The members of the graduating class of the parochial school and those from the parish who were graduated from Delone and from Littlestown High School, together with their mothers, will be guests at the annual covered dish social and entertainment, sponsored by the St. Aloysius Parish Council of Catholic Women, in the parish hall on Wednesday at 6:30 p.m. Members of the Council will take a covered dish and will provide table service for themselves. The committee will provide the meat, rolls and coffee, and also table service for the guests. The committee is composed of Mrs. George P. Smith and Mrs. Paul R. Snyder, co-chairmen, Mrs. Bernard M. Selby, Mrs. A. W. Schott, Miss Sheila Shanahan, Mrs. C. Donald Bowser, Mrs. Anna Scott, Mrs. Matland, Mrs. John Redding, Mrs. George Sneringer and Mrs. William V. Sneringer.

"MY LITTLE ONE"

She's an angel full of laughter... with a sweet and blissful kiss... that can free my heart of worry... when I'm lost in its abyss... she's a dream in frills and ribbons... and she has a way of making... all my hopes soar to the skies... she's a miniature of mother... and a babydoll nurse too... and she makes a simple game of house... a fairy tale come true... she is purity and virtue... and her eyes are full of love... and they shine with tender meaning... like the floating stars above... little soul of truth and beauty... and a million different smiles... she makes life so much the lighter... as I travel o'er its miles... she's a wealth of untold pleasures... and I know that you'll agree... she's a gift sent down from heaven... that's my little one to me.

Hanover Sergeant Killed By Train

ALBUQUERQUE (AP)—An Army sergeant from Hanover, Pa., was killed last Thursday when he was struck by the Santa Fe Chief along a railroad bridge south of here.

Sgt. Don E. Myers, 24, of Hanover and Smyrna, Tenn., and T. Sgt. Dale Ferguson were headed for a fishing spot across the river. They ran ahead of the train. Ferguson escaped with bruises and shock by diving off the bridge seconds before the train overtook them. The accident happened one mile north of the town of Islate.

Parade Is Held
"The crisis now before us may prove to be the ultimate test of our hardihood as a nation. Nevertheless it may also prove to be the greatest opportunity ever presented to any living man to demonstrate once and for all that human freedom is the most precious privilege which men can ever attain in their common lives together, and to prove that Americans, if need be, will sacrifice all material advantages and even life itself to assure that great treasure of individual liberty to their children."

Despite threatening rain, the parade and services were conducted as scheduled. Curvin Miller was chief marshal for the parade which included the New Oxford High School Band, public and parochial school children, the American Legion Drum and Bugle Corps of Taneytown; Irishtown, Bonneville and New Oxford fire companies; Boy Scouts, Girl Scouts and Cubs, who comprised the first division. The second division was made up of Guy Miller as marshal, Hanover VFW Drum and Bugle Corps, the county's National Guard Unit; Brodbeck's Band, Junior Sons of Veterans, Klitte Band of York, Sons of Veterans Reserves, the Sons of Veterans and Auxiliary.

Ritual Conducted
Ritual exercises by the SUV and fring of salute and strewing of flowers by the children took place in the Catholic cemetery after which the parade marched to the town cemetery for further services.

George D. Sheely was presiding officer; Rev. Amos Meyers gave the prayer; a dirge was played by the New Oxford High School Band; strewing of flowers was conducted and then Lincoln's Gettysburg Address was read by Mr. Sheely. State Senator Donald J. McPherson Jr. gave brief remarks after which the talk by Lt. Gov. Woods, ritual exercises by the SUV, firing of the salute and sounding of taps, and the benediction by the Rev. George E. Sheffer concluded the services. Retreat was held at the Sons of Veterans Armory after the cemetery services.

Widow Of Dr. Henry Gettys Enjoys Visit To Gettysburg

Mrs. Helen Gettys, widow of Dr. Henry Gettys, St. Louis, Mo., surgeon and fifth generation descendant of James Gettys, founder of Gettysburg, who was a weekend visitor here, found the town her husband's ancestor founded much as she had anticipated—a small town, but with a host of interesting landmarks and historically important places.

Mrs. Gettys said it was her first visit here, and that the trip was made despite the fact that previous plans could not be fulfilled. She had planned to make the trip here with Mrs. Senator L. Gettys, of Dayton, Ohio, the widow of her husband's brother, but found that Mrs. Gettys' health would not allow her to make the trip.

Flies Part Way
"So I came to Gettysburg anyway," she said. Mrs. Gettys flew from St. Louis to Dayton, and from Dayton to Baltimore, taking a bus from Baltimore to Gettysburg. "It's not an easy town to get in or out of unless you have your own automobile, and I didn't want to drive here from St. Louis," she said.

Mrs. Gettys has just recently returned from a trip around the world, during which she visited the Holy Land, Spain, France, Germany and the British Isles. She learned that there were "Gettys" in northern Ireland, and made a side trip there, she said.

Mrs. Gettys was born and brought up in St. Louis. Her husband, who was medical director of the St. Louis Police Department and a member of the school board, died January 11, 1950. Mrs. Gettys is a former president of the St. Louis Women's Advertising Club, and a member of 11 other St. Louis organizations.

2 Descendants Living

A Gettys by marriage only, Mrs. Gettys said she knows of only two direct descendants now living of the founder of Gettysburg, a Perry Gettys, living in California, and Mrs. Senator Gettys' daughter, in Dayton.

Mrs. Gettys toured the battlefield, and visited the Jennie Wade House, the Cyclorama, James Gettys' grave in Evergreen Cemetery, and other places. "It seems to me," she said, "that there are still other places of historical importance, such as places which were used as hospitals after the battle, that should be preserved, through the generosity of local citizens or others," she observed.

CALLS TAX CUT UNSAFE GAMBLE WITH SECURITY

By CHARLES F. BARRETT
WASHINGTON (AP)—Secretary of the Treasury Humphrey told a dubious House committee today that failure to extend the excess profits tax on business would be an unsafe "gamble with national economic security."

Humphrey went to bat for President Eisenhower's tax proposal before the House Ways and Means Committee. The President has urged a six-month extension of the business profits tax beyond June 30, its present expiration date.

The committee has voiced strong opposition in the past to the extension, and Humphrey picked common ground to declare at the start that "I dislike the excess profits tax and think it is a bad tax."

Face Real Danger
But, he said, "the danger of an atomic Pearl Harbor is real... the country must be kept safe from aggression from abroad. And further inflation must be stopped and the dollar must be kept sound to provide a solid base for a healthy economy."

"Military security and economic security are the chief responsibilities of the nation. They must take precedence over everything else."

Humphrey then said even with spending cuts of four and a half billion dollars planned by the Eisenhower administration for the fiscal year beginning July 1, the nation faces a deficit that year of \$6,600,000,000 and "it is not safe to gamble with the country's economic security by making immediate cuts in taxes."

JOHN MACPHAIL IS MEMORIAL SPEAKER AT S. S. IN LITTLESTOWN

Attorney John MacPhail, teacher of the Fidelity Bible Class of Trinity Reformed Church, Gettysburg, was the guest speaker at the Memorial Day program in Redeemer's Reformed Sunday School on Sunday morning. Mr. MacPhail's address was on the subject "The Time Is Now."

The speaker was introduced by A. C. Garland, teacher of the Meg's Bible Class which was in charge of the program.

The memorial program opened with a piano prelude played by Miss Diane Stambaugh. The call to worship was led by Calvin M. Sentz Sr., leader for the our. The program continued as follows: Prayer in unison; hymn, "Battle Hymn of the Republic," accompanied by Miss Stambaugh, pianist for the program; Scripture read responsively; Scripture reading, Ecclesiastes 3:1-8, by Mr. Sentz; responsive prayer; selection, "March On, O Soul," Goss, by a quartet composed of Ferree LeFevre, Robert H. Miller, Rev. Frank E. Reynolds and Robert H. Thomas, accompanied by Miss Marilyn Spangler; announcements made by the pastor, the Rev. Mr. Reynolds; quartet selection, "Not Alone for Mighty Empire," Richard; group hymn, "My Country 'Tis of Thee"; the Lord's Prayer in unison, and concluding with the benediction repeated in unison, and the piano postlude.

"Gems of Truth" was the subject of the sermon presented by the Rev. Frank E. Reynolds at the Sunday morning worship service in Redeemer's Church. The epistle lesson was read from Romans 11:33-36 and the gospel lesson from John 3:1-15. The Senior choir sang the anthem entitled "Send Out thy Light," Gounod, accompanied by Ferree LeFevre, church organist. The altar flowers were placed in memory of Mrs. Laura V. Frey.

Announcements made by the Rev. Mr. Reynolds were as follows: Next Sunday after the worship service, the Consistory will recommend action on the part of the congregation relative to the hour of worship. A majority of the people of the congregation declared preference for an 8:30 a.m. worship on Sunday mornings between June 21 and September 6. The special choir for Children's Day will rehearse every day immediately after Bible School from 11 to 11:15 a.m. The choir will meet in the Junior room of the church. The pastor announced that registrations for children from 4 to 14 to attend the Daily Vacation Bible School, which began this morning and closes June 12, are still being received by Miss Marilyn Spangler.

Children's Day will be cele

Water-Filled Tires Are Used In Mine

SONTEWALL, Colo. (AP)—To save tire casings and rolling stock, water instead of air is being used in the tires of underground vehicles at the new six-million-dollar Allen coal mine of the Colorado Fuel and Iron Corp. in southern Colorado.

Officials said 100 pounds of water pressure in the tires on shuttle cars used in the workings means longer life for the cars as they bounce over rough terrain. They claim water-filled tires give the vehicles more stability.

brated with a special service on June 14. The Sunday School classes will meet for their devotionals at the usual hour of 9:30 a.m. At 10 a.m. all scholars will move to the sanctuary for the children's program. There will be no church worship on this Sunday. The congregation is urged to attend the program by the children.

Congratulate Seniors

Five members of Redeemer's congregation received congratulations upon their graduation from the Littlestown High School this year. They were Dean Wilbur Bankert, Diane Rhoda Cornell, Robert Charles Kountz Jr., Diane Elizabeth Stambaugh and Shirley Ann Stoniesfer.

Hraold E. Shoemaker, Melvin L. Spangler, Lewis E. Bair and Dennis E. Hoff served as ushers at the Sunday morning worship service in Christ Reformed Church. The sermon was presented by the pastor, the Rev. G. Howard Koons. The bulletin was given by Mr. and Mrs. Calvin S. Myers in honor of their 43rd wedding anniversary. The altar flowers were in memory of Mrs. Clayton G. Dutterer; presented by the family. The Board of Trustees expressed thanks to the congregation for its generous repair fund response last Sunday.

The Rev. Mr. Koons announced that the national conference on Christian education will be held at Purdue University, Lafayette, Ind., June 30 to July 3. The registration cost per person is \$28.50. Christ Church Sunday School is sponsoring a strawberry festival, Saturday, June 6, in the church grove. The public is invited to attend and the affair is for the benefit of the church building fund.

Mark Memorial Day

The Golden Deeds class was in charge of the Memorial Day service in St. John's Lutheran Sunday School yesterday at 9 a.m. Mrs. Edgar A. Wolfe was the leader for the program. In addition to the regular service, the program included a vocal solo by Jack Stites and a vocal duet by Ronald and Gary Streig, with Miss Evelyn Harget as piano accompanist.

The Rev. William C. Kams baptized Ronald Spangler Rife and Cynthia Elizabeth Rife, children of Harold and June Spangler Rife, Hanover, in St. John's Lutheran Church following the Sunday worship service. Mrs. Rife and the maternal grandfather, John Spangler, were the baptismal sponsors.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

ONE HUNDRED YEARS AGO
Mr. Henry B. Smith has been named Postmaster at Gettysburg in this county, in place of Mrs. Matilda Smith.

Our accounts from different quarters all agree that the wheat crop will scarcely be half the average one this season, on account of the ravages of the fly. In many places some fields are nearly destroyed, and very few have entirely escaped.

Married: On the 31st ult., by the Rev. J. Ulrich, Mr. James M. Sidesinger, to Miss Lydia Ann Myers — all of this county.

Frightful Accident: Sunday evening just at Mr. Pfeiffer, of Mount Pleasant Twp., was starting from this place for his home, having in the carriage his daughter, Mr. John Beckman and another young man, whose name we did not learn, the horse took fright and dashed down Baltimore St., with fearful rapidity until they reached Centre Square, where the carriage was overturned and completely wrecked. They were all more or less injured; but Mr. Pfeiffer and Mr. Beckman were very much bruised and cut. The latter was taken up insensible, but in a short time revived. Their wounds are not serious, we learn.

The General Synod of the Lutheran Church has been in session during the past week at Winchester, Va. The opening sermon was preached by Rev. Dr. Schmucker, of this place. The Rev. Dr. Bachman is the presiding officer, and Rev. Charles A. Hay, secretary.

Died: Sunday morning, in this borough, Mr. James Johnston (father of Rev. Robert Johnston) in the 86th year of his age.

The funeral took place Monday evening at half past 5 o'clock.

SEVENTY-FIVE YEARS AGO

Decoration Day in Gettysburg: In Gettysburg arrangements for Decoration Day were under the special auspices of Corporal Skelly Post No. 9, GAR.

Among the distinguished invited guests present were President Hayes, Attorney General Devens, Secretary of War McCrary, Gen. Benjamin F. Butler, Ex-Gov. Curtin . . . with a number of members of Congress and Union officers.

The Presidential party and members of Congress left Washington in a special train on Wednesday afternoon, reaching Gettysburg at 9 1/2 p.m. At Hanover Junction they were met by committees of reception from this place.

A very large crowd awaited the arrival of the train at Gettysburg. The President, his son Webb and Private Secretary Rodgers, and the attorney general drove to the residence of Hon. Edward McPherson — Gen. Butler and his niece to the residence of Gen. J. R. Slayton — the secretary of war to that of R. G. McCreary, Esq., — being the guests of these gentlemen.

The Congressional party drove to the Springs Hotel. Ex-Gov. Curtin did not arrive until the 10 1/2 train Thursday morning, and was the guest of Judge Wills.

On Wednesday night the President held a public reception at the residence of Mr. McPherson, which was largely attended by ladies and gentlemen. At a late hour the President was serenaded by the "Gettysburg Orchestra," and in response to calls by the crowd, brief addresses were made by the President and attorney general, and by Mr. McPherson. The students of Pennsylvania College in a body paid their respects to Gen. Butler, and drew from him a happy speech on student life.

The Chambersburg Grays arrived after midnight, having marched the entire road from Chambersburg. They took up quarters in Agricultural Hall. Next day they acted as an escort to the President.

It is estimated that fully ten thousand strangers were in Gettysburg on Thursday. The President . . .

Just Folks

By EDGAR A. GUEST

MAN ALONE

I watched him pull away from shore,
A man of forty years or more—
A fisherman alone to be,
With just himself for company.

For just a little while, thought I,
That man won't have to tell a lie
Or some deceptive pose maintain
Or fool himself with boastings vain.

Out there for just an hour or two
No harm to anyone he'll do.
What he may say, no one need fear,
For he himself alone will hear.

I watched him pull away from shore
And envied him that hour or more
When free to fish and dream he'd be,
With just himself for company.

Today's Talk

By GEORGE MATTHEW ADAMS

SOMETHING IN RESERVE

In these days of fear and insecurity it is important to look ahead and have something in reserve to meet an emergency. We can't say that such a situation will not come about, for it occurs with us all — and all to often when we may be least prepared to meet it.

Each of us is getting older with each day and we need a reserve of strength as well as a reserve in savings. It's that reserve strength that gives happiness to our later years. It's the reserve strength of the athlete that makes him a winner. I noted this in a recent baseball game. It was tight almost to the end. The score stood 3 to 1 at the beginning of the ninth inning. Then the trailing team filled the bases and a pinch hitter was called in. He hit a home run! That won the game.

The man in reserve did the trick. Too many burn up all their reserve energy. Then they have nothing to go on. My mother used to tell me she thought every man should have a trade besides his regular life work — something to fall back upon in case of misfortune. Every military man knows the importance of reserve forces and equipment. It's these that bring victories. As a matter of fact they are often more important than the attacking force.

People who are suddenly faced with financial losses, or extreme sorrow, find themselves isolated and alone. They have little or nothing in terms of courage and spiritual reserve. These circumstances are the lot of us all in some measure. We must steel ourselves, expecting them, but in readiness to face them, mentally armored.

Intelligent investors scatter their funds — placing them in a variety of places, building a reserve from their growth. Indirectly a person with one or more hobbies builds a reserve of strength, for he then does not draw too heavily upon the main work of his daily life. He sets thrills and pleasure that add to his life as a whole. And often these hobbies are a material investment. We live so much more happily with one or more reserves behind us!

Tomorrow Mr. Adams will talk on the subject: "The Living Henry Ford"

dential party and distinguished guests, with Colonel Batchelder as guide, visited prominent points of the battlefield and returned about 10 o'clock. During the time that the procession was organizing a drizzling rain commenced to fall. The drenching rain, which followed, prevented the school children, civic organizations and bands from participating in the ceremonies.

Upon reaching the cemetery, the Grays and the GAR strewed beautiful flowers upon the graves of all the soldiers in the National and Evergreen Cemeteries.

The services at the stand erected in the Southern portion of the cemetery were opened with prayer by Rev. J. H. McCord, pastor of the M. E. Church. The Atheneum Glee Club rendered the Italian Hymn. Gen. J. R. Slayton, of Corporal Skelly Post, introduced Gen. Benjamin F. Butler. (Singing followed.) John M. Krauth, Esq., introduced Ex-Gov. Curtin. This finished the regular programme, but there were large cheers from the crowd for President Hayes. He came forward and spoke briefly after an introduction by Hon. Edward McPherson, Attorney General Devens and Secretary McCrary were then called out and spoke briefly. Prof. A. Martin pronounced the benediction.

The audience stood for nearly two hours in a drenching rain and frequently applauded the eloquent sentiments uttered.

HORSES GIVEN STIFF TEST FOR CORONATION

By HAL BOYLE

LONDON (AP) — Coronation side-

lights: Everything has been rehearsed for Britain's mighty moment tomorrow, the crowning of her Queen — everything except the weather, but including the horses.

The horses that will take place in the great cavalcade have been as carefully groomed for their roles as the people. The only things spontaneous about a coronation are the cheers.

There are some 60 horses in the royal stables now, many of them loaned by private owners for the event. For weeks their grooms have been accustoming them to loud noises so they won't become unnerved on Coronation Day as they pass through lanes of shouting Englishmen, an experience most British horses never undergo in their lifetime.

No Horse Flunks

The chief training instrument was a loud speaker system over which the horses listened to recordings of brass bands, bells and people cheering. Their acid test came when a recording of 45,000 yelling schoolboys at a football match was played to them, and so far as it known no horse flunked this final exam.

The horses also now are used to the coming and going of the Duke of Edinburgh in his helicopter, and hardly look upon it as a rival. As far as they are concerned the royal horse is here to stay.

Royal horses don't do too badly. Their stable was designed by a noted architect, and each horse has a sink with running water by his manger.

There are now 12 of the famous Windsor grays ranging from Noah, the stable patriarch at 22, down to Tipperary, a broth of a horse at 4.

13 Men With Coach

Only eight of the grays, however, will be used to pull the state coach in which Queen Elizabeth rides. They will be accompanied by 13 men—four postillions whose feet rest in stirrups of real gold, eight grooms who will walk beside the horses, and one who will walk behind the coach.

This last fellow, "Tail End Charley," will probably have the most worried face in Britain during the coronation. His job is to dash up and apply the brake whenever it is necessary—and the state coach weighs four tons. You may gamble on it that the brake has been inspected.

Long Ordeal

The actual coronation ceremony in the Abbey is a long ordeal, and in the past those who sat through it often came out with a half-starved look.

At the last coronation there was considerable eyebrow-lifting over the behavior of some of England's hungry peers and their ladies, who more or less openly munched tidbits they had brought along to tide them over until dinner. And some nipping from pocket flasks was noted.

The Earl Marshal doesn't want that at all this time. He has set up a number of snack bars nearby. But some of the peers, playing it safe, are reported planning to bring along a sandwich in a secret pocket in their robes, just in case the snack bars are too crowded.

timore, to Miss Christine Ritter, of Gettysburg.

Festival: There will be a Strawberry festival by the Reformed Church Mite Society at the residence of Mr. Henry Culp farmer, on Monday evening next. In case of rain the festival will be held in Mr. Kendlehart's store room, opposite court house.

Local Items: On Sunday a two-year-old child of George Bupp, Straban, Twp., fell from a porch, breaking the right arm.

St. Francis Xavier Parochial School closed on Wednesday, the 29th, after a session of nine months.

A delegation of Corporal Skelly Post, No. 9, GAR, visited Arendtsville and Bendersville on Wednesday to participate in the Decoration ceremonies at those points.

South Koreans Will Fight Reds "Alone" If Reds OK Last Offer

CHINHAIE, Korea (AP)—South Korea's ranking Cabinet member said today his nation can and will fight the Reds by itself if the Communists sign an armistice based on the latest Allied proposal—and he predicted they will.

As the rift widened between South Korea and her allies, Acting Prime Minister Pyun Yung Tai emerged from a 3 1/2-hour emergency Cabinet meeting at President Syngman Rhee's summer villa in Chinhaie and told newsmen:

"Some people think the ROK Army will not be able to go on fighting if United Nations ammunition and other military supplies stop. Just wait and see."

Similar To Reds Offer
"Personally," he added, "I think the new Allied proposal is very similar to what the Communists are proposing and, therefore, I see no reason why the Communists will not accept—unless the Communists are waiting for World War III."

Pyun said his government would issue a formal statement but did not say when.

He would not confirm reports that Rhee and President Eisenhower had exchanged messages on the violent South Korean opposition.

Concerned Over "Two Fronts"

However, in Washington, officials obviously were concerned over the "two fronts" facing the Allies—negotiations with the Reds for an armistice and efforts to assuage South Korean anger.

The latest Allied prisoner exchange proposal, submitted a week ago, set off a broadside of South Korean objections. The Communists were expected to answer it today, but were granted a recess extension until Thursday.

South Korea is demanding unification of North and South Korea and unconditional release of 34,000 North Korean prisoners who refuse to return to communism.

Although the Allied plan never has been released officially, South Korean sources say it proposes this for the reluctant prisoners, including also 14,500 Chinese:

Terms Of Plans
Turn them over to a five-nation commission headed by India for a 90-day "explanation" period by the Communists. If some still refuse to return, a post-armistice political conference would discuss their fate, and if the conference can't settle it, the question would be turned over to the U. N. General Assembly.

Maj. Gen. Choi Duk Shin, South Korea's truce delegate, boycotted Monday's session in embittered opposition to the proposal, and later released the text of a letter which included part of the official record of the meeting. He had written Lt. Gen. William K. Harrison Jr., Senior Allied delegate, to protest the plan.

Choi's letter revealed that the Reds rejected outright part of the proposal—turning over the North Koreans to the U. N. However, the extension asked by the Reds indicated they were still considering the offer and may be awaiting a high decision, from Peiping or possibly Moscow.

The first Wright brothers airplane attained a maximum speed of about 50 miles an hour.

CROWN JEWELS ARE MOVED INTO LONDON ABBEY

By PHILIP CLARKE

LONDON (AP)—Britain's priceless crown jewels were moved secretly into Westminster Abbey today for the coronation.

All along London's glittering coronation route thousands of excited people staked out claims to standing room—a full 24 hours ahead of Queen Elizabeth's historic crowning and procession.

Only a single car of detectives guarded the historic relics—including St. Edward's Crown and the jewel-studded Imperial State Crown—on the journey from the crown jeweler's to the Abbey, where the coronation will take place.

Young Prince Is Gay

This great city bubbled with excitement in anticipation of the great day. The spirit of festivity swept into Buckingham Palace, where Elizabeth's son, young Prince Charles, played peek-a-boo with the crowds gathered outside. The four-year-old kept popping his head up in a palace window, to the crowd's shouted delight.

Queen Elizabeth carried on her official duties. With the Duke of Edinburgh she received 80 delegates from commonwealth nations in the white and gold throne room at the palace. She had lunch with Prime Minister Churchill and 10 commonwealth prime ministers.

Queen Mother Elizabeth, Princess Margaret and other members of the royal family also attended. The 27-year-old Queen, the second Elizabeth to rule, wore a cream silk dress with a small black dot pattern and a diamond spray brooch on the left shoulder. Her husband was in morning clothes.

She greeted the guests standing before a dais on which there was a single chair of state of crimson silk damask. The dark crimson canopy above was surmounted with a crown. The only woman presented to Elizabeth was the Begum Liaquat Ali Khan of Pakistan, attired in Eastern dress.

Washington's "Old Guard" Puts Revitalized Senators Back Into First Division; Beat Sox Twice

By JOE REICHLER
AP Sports Writer

Washington's "old guard" is pushing the revitalized Senators back into the American League pennant race as a possible new challenger to the New York Yankees' bid for a fifth straight championship.

Three of the senior members of the "old guard" — 35-year-old Micky Vernon, 31-year-old Clyde Vollmer and 30-year-old Frank Shea — boomed the three-gun salute yesterday as the Senators roared past Boston into the first division with a pair of victories over the Red Sox, 5-4 and 4-0.

Vollmer, a Red Sox castoff, singled home the winning run in the ninth inning against his former mates. Vernon, the league's leading hitter, drove in a run, set up the tying run and scored the winning run as the Nats came from behind with two tallies in the ninth. Shea, shunted off by the Yankees last year, spun a nine-hit shutout in the nightcap for his fourth triumph without a defeat.

Yanks Beat A's
Washington, winner of four of its last five, still trails the league-leading Yankees by 6½ games, but is only two lengths away from second-place Cleveland.

The Yankees trounced Philadelphia's Athletics, 7-1, concentrating their attack on Alex Kellner, who had shut them out in his two previous starts against them. New York tallied twice in the second inning to snap the southpaw's scoreless streak of 20 innings against them. They banded him out in the sixth with a four-run uprising featured by pinch-hitter Gene Woodling's two-run double.

Cleveland swept past Chicago into second place with an 8-1 triumph over Detroit. The White Sox were held to a split in their double-header with the Browns. St. Louis took the nightcap, 7-4, after the White Sox had won the opener by the same score.

Dodgers Take Lead
Brooklyn's blazing Dodgers zoomed into first place in the National League, winning their ninth and tenth in a row at the expense of the Pittsburgh Pirates. The Dodgers made it eight out of eight over Pittsburgh, 4-3 and 4-1, to plunge the Bucs into the basement.

Brooklyn needed help from Cincinnati to take over first place by half a game over Milwaukee. The Redlegs swapped 8-6 decisions with the Braves, winning the opener to shove Milwaukee out of the lead.

St. Louis' stubborn Cardinals rebounded from Saturday's double setback, whipping the Chicago Cubs, 6-2, to remain 2½ games off the pace. Rain washed out the New York Giants and Philadelphia Phillies for the second straight day.

Kellner's Bid Fades
Kellner's bid to become the only pitcher besides Walter Johnson to hurl three successive shutouts against the Yankees was short lived. He was scored on in the third inning and shelled in the sixth to join 11 other hurlers who have failed to duplicate Sir Walter's 1908 performance.

Bob Lemon hurled an eight-inning shut to hand the Tigers their seventh successive loss. Homers by Bill Glynn and Larry Doby hastened Art Houtteman's fourth loss.

Gil Hodges and Jackie Robinson were the big guns in the Dodger attack. Hodges, continuing to slug his way out of a near-disastrous batting slump, drove in two runs in the first game with a pair of singles. Robinson had five straight hits. The nightcap was called after 6½ innings because of darkness.

ALL BASEBALL TITLS CALLED DUE TO RAIN

Inclement weather over the weekend washed out a program of 13 scheduled baseball league games. Eight of the postponements were in the Pen-Mar League which now has a total of 13 games to make up as the result of postponements since the opening of the season on May 3.

Dates for the playoff of two of the games carded for Saturday have been set. Blue Ridge Summit playing at Cashtown Tuesday evening at 6:15 o'clock while New Windsor and New Oxford will clash on the latter's field on June 11. On Wednesday Blue Ridge Summit and Littlestown are listed to meet at Littlestown to make up a game originally listed for May 3.

Four games were rained out Sunday in the South Penn circuit and a make-up game carded for Saturday at Taneytown was also erased. Greenmount and Harney will meet Tuesday evening at Harney to make up their postponed game.

Next Sunday's games in the South Penn League are as follows: Emmitsburg at Greenmount; Harney at Brunshtown; Bendersville at Huncerstown; and Taneytown at Bonneauville.

Pen-Mar games scheduled for next Sunday include Littlestown at Union Bridge, Cashtown at New Windsor, Blue Ridge Summit at New Oxford, and Thurmout at Union Bridge.

EIGHT PRIESTS ARE ORDAINED; MAKE CHANGES

HARRISBURG (P)—Eight newly-ordained priests will take up duties Thursday at churches of the Roman Catholic Diocese of Harrisburg.

Assignment of the eight new priests was made over the weekend along with seven transfers by Bishop George L. Leech.

Admitted to the priesthood in services Saturday were the Rev. Francis P. Filippelli, Harrisburg; the Rev. Donald Adams, Hanover; the Rev. Dominic A. Mammarella, Mahanoy City; the Rev. Charles A. McDermott and the Rev. Francis M. Lahout, both of Danville; the Rev. Lawrence C. Gross, Lancaster; the Rev. Edward J. Deller, Dallastown; and the Rev. James W. Beeman, Rochester, N. Y.

Bishop Leech also appointed Msgr. George D. Mulcahy as dean of the Shamokin area and pastor of St. Edward's Parish, Shamokin. Msgr. Mulcahy, former chancellor of the diocese, had been pastor of Our Lady of Lourdes Parish, South Enola.

Young Cadet Will Quit West Point

HARRISBURG (P)—The father of Dick Reich, West Point football player from nearby Steelton, says his son had parental permission to resign from the military academy.

Mathias Reich said yesterday he and his wife sent a letter to the commandant of the cadet corps at West Point granting permission for their son to drop out. Dick, younger brother of Gil Reich who was dismissed from the academy for honor code violations, was due to be graduated in 1955.

"Richard still has not said why he wishes to resign," his father said.

"I believe he will join his brother, Gilbert, at Kansas. We expect him home sometime this week after his second class work is completed."

Gil starred for Kansas University on the gridiron last season. Some weeks ago it was reported Dick was planning to leave West Point.

WORKMEN OPEN BLOCKED RAILS

NEW BRUNSWICK, N. J. (P)—Three of the Pennsylvania Railroad's four main line tracks were in use today as crews did repair work made necessary after a southbound passenger train rammed into a steel beam jutting from a freight car.

The beam apparently flipped up, and knocked down overhead electrical wires for about a mile — blocking three of the four main line tracks last night and disrupting train service.

A railroad spokesman said all but one of the four tracks were in operation early today. The remaining track would be in use later in the day, he added.

No One Injured
No one was hurt in the mishap, but many trains in and out of New York City were delayed as much as two hours at the end of the Memorial Day week end.

Railroad crews worked into the early morning hours in efforts to repair the damage. The spokesman said he expected no serious snarls in schedules with three of the tracks in operation.

The train, the Patriot, was en route to Washington, D. C., from Boston, and was overtaking the freight train when the accident happened at nearby Menlo Park.

The beam protruding from the freight scraped the Patriot's electric locomotive and the first pullman car.

TYPHOON IN PHILIPPINES

MANILA (P)—A 100-mile-an-hour typhoon today bore down on the Central Philippines, the Manila Weather Bureau said.

A bulletin said the typhoon was swirling about 300 miles due east of Tacloban, Leyte Island. It was moving west-northwest, towards southeast Luzon, at 15 m. p. h.

Ships were warned to take adequate precautions.

The big blow is expected to be about 190 miles east-northeast of Tacloban by early Tuesday.

SCHENECTADY STARTS ROLLING

By The Associated Press

Schenectady's Blue Jays, off to a disappointing start in the Eastern League, are rolling now. Thornton (Kip) Kipper, their ace pitcher, won two games for them yesterday to give the Jays nine victories in their last 11 games. The victories kept them in third place, 2½ games behind Binghamton and 3½ behind Reading.

Kipper set down Albany in the opener, 9-2, and came back in relief in the fifth inning of the second game to earn his ninth victory, 10-4. He has lost one.

The Binghamton Triplets advanced to within a half game of idle Reading by dropping Elmira twice, 3-1, and 3-0.

Wilkes-Barre and Scranton split. The Barons won the first game, 8-6, in 11 innings and lost the second, 9-5.

Williamsport at Reading was postponed.

All the Memorial Day double-headers, except Albany at Schenectady, were rained out.

Schenectady split with the Senators. The Jays took the second game, 10-3, behind lefty Tom Casagrande after dropping the opener, 9-5, when Albany rallied for eight runs in the final inning.

Congress Opens Hearings On Excess Profits Tax Extension

By JAMES MARLOW
WASHINGTON (AP)—For a month the air will be blue with arguments that begin today when hearings open in Congress on the excess profits tax.

At stake: much money and a test of President Eisenhower's leadership. He asked Congress to continue the tax until Dec. 31. Otherwise, it will automatically end June 30.

Congress passed it after the Korean War started to get revenue for rearming, discourage high prices by draining off profits, and keep companies from getting too fat off defense contracts.

What follows is a general explanation of how the excess profits tax works, highly simplified. For the sake of brevity, the tax will be called EPT.

Almost no firm—there are exceptions—with earnings of less than \$25,000 a year has to pay EPT. It pays a flat tax of 30 per cent, called a normal tax.

22 Per Cent Surplus
Firms with over-\$25,000 earnings pay that normal tax, plus a surplus of 22 per cent on earnings over \$25,000, thus making the regular tax on them—normal tax and surplus combined—52 per cent. In addition, an over-\$25,000 firm must pay EPT if it earns enough.

The total tax on any firm—regular tax and EPT—is limited to 70 per cent. Corporations can choose any one of three main methods, in figuring EPT, to get the lowest tax on themselves.

In this story a firm, called XYZ, will be used. Its 1952 earnings were \$300,000. The regular tax on that \$300,000—normal 30 per cent on the full amount and surplus of 22 per cent on \$275,000—was \$150,500.

Method No. 1—Since the tax limit is 70 per cent, and XYZ has been taxed at a rate of 52 per cent, it applies the remaining 18 per cent to its \$300,000 earnings. Result: \$54,000. That's EPT tax. Adding the EPT of \$54,000 to the regular tax of \$150,500, XYZ's total tax is \$204,500. Too high? The firm looks for a lower tax by trying the next method.

Pick Average Firm
Method No. 2—This raises a question: Just what is an excess profit? Excessive over what and when? For comparison, Congress had to find a basis, some period and earnings which might be considered normal or average. It picked the years between World War II and the start of the Korean War, the years 1946 through 1949, inclusive. Many businessmen claim those years were not normal for them. Some, for instance, say they were just starting in business.

Firm XYZ, trying to determine its average earnings in those pre-Korean years, can choose any three of the four. Naturally, it selects the three most prosperous years to make its post-Korean profits as low, or unexcessive, as possible over its pre-Korean profits. XYZ's earnings in 1946 were

\$100,000 but \$200,000 a year from 1947 through 1949. So it chose those three years—in this case \$200,000 a year—as its average pre-Korean earnings.

Can't Claim Full Average
But the law doesn't let a firm claim the full average, only 85 per cent. In XYZ's case, 85 per cent of \$200,000 is \$170,000 which is then called the pre-Korean average. Which means: XYZ's \$300,000 earnings in 1952 were an excess of \$130,000 over its \$170,000 pre-Korean average. At this point the law says XYZ can pay 30 per cent of that \$130,000 excess. Resulting EPT: \$39,000. Adding the \$39,000 EPT to the regular tax of \$150,500 on its \$300,000 earnings in 1952, XYZ's total tax becomes \$189,500, or \$15,000 cheaper than under method No. 1.

Most firms use method No. 2 because it happens to work out best for most. Some use still a third method when it gives an even lower tax.

Invested Capital
Method No. 3—This is based on invested capital. Say firm XYZ had two million dollars invested in its plant at the beginning of the year. Under the law XYZ takes 12 per cent of the two million dollars, which is \$240,000. This is called an excess profits credit, or money that can be deducted from a firm's earnings before it can be hit with the EPT.

XYZ deducts the \$240,000 from its 1952 earnings of \$300,000. Result: \$60,000. Then XYZ applies 30 per cent to the \$60,000, giving it an excess profits tax of only \$18,000. It adds the \$18,000 EPT to its regular tax of \$150,500. Result: total of \$168,500 owed the government.

For XYZ method No. 3 worked out best. For most firms it won't.

in the interest of better health. He will also have the aid of radio active materials to treat directly certain types of diseases such as cancer that for centuries have plagued mankind.

"The atomic industrialists of tomorrow, through the use of radio active materials, will produce better rubber tires and engine lubricants as well as gasoline, synthetically, from coal or natural gas. They will operate machinery and light the light bulbs with energy derived from sticks of uranium. Entire communities will be furnished power for home heating, cooking and lighting that will revolutionize the American way of living.

Face Changing World
"Knowing that you members of the class of 1953 must prepare to take your place in the commercial and industrial life of the nation I feel it may duty to tell you that you are facing a changing world in comparison to conditions that existed when your parents graduated from high school. The real difference is that you are graduates in the atomic age, an age that contains many mysteries that man will endeavor to fathom during your lifetime.

"You young men and women have been fortunate in being reared and educated in a Christian and law-abiding community. You have been blessed with good parents and the advantage of a high school education. You owe a lasting debt of gratitude to your parents and a solemn duty to protect their good name.

Vision And Courage
"Tonight no doubt you are concerned with the thought of whether you will make a name for yourself. While you turn this thought over in your mind I hope you will remember that the fact that you live in a small town is no reason why you cannot ascend to a high position in life. Many of the nation's leading men came from communities like Gettysburg. They had faith in God, vision, courage and determination and with those attributes you cannot fail to achieve a measure of success commensurate with the ability you

possess and the amount of hard work you are willing to offer in order to reach your goal."

The graduation ceremonies were preceded by an academic procession that followed a devious route from the main hall of the old high school building through basement corridors to the rear of the new gymnasium instead of using the usual outdoor course.

"The 'Triumphal March' from 'Aida' was played by the High School Band under the baton of Director Robert G. Zeigler as the procession of seniors, faculty and school directors entered the jam-packed auditorium. After the singing of the hymn 'Holy, Holy, Holy,' the invocation was given by the Rev. Philip Bower, Emmitsburg Lutheran pastor who is the father of Frederick J. Bower, a member of the graduating class.

With Paul W. Grove directing, the High School Choir sang the anthem, 'Adoremus Te Christie,' Palestrina, and Congressman Van Zandt's address followed. Then the choir sang 'From the Time We Say Goodbye,' and Principal G. W. Lefever read the class roll before the presentation of diplomas by Dr. Lloyd C. Keefauver, superintendent of schools.

In Honor Group
The band played 'Born To Be Free,' while the offering for the A.M.E. Zion Church was received. The audience sang 'Faith of Our Fathers' and the benediction was pronounced by the Rev. J. O. Fountain, pastor of the A.M.E. Zion Church. Then the band played 'Pomp and Circumstance' while the graduates marched out of the gymnasium.

The scholastic honor group among the graduates include the following: Edwin Bachman, Kay Coleman, Dale Dolly, Rodney Felix, Ann Fortenbaugh, Dolores Frew, Mary Anne George, Maria Hick, Randall Hill, Robert Hixon, Anita Inskip, Doris Kint, Curvin Krout.

Susan Lighter, Jeanne Little, Alice McDannell, Delores Neely, Joyce Sanders, Helen Schwartz, Sarah Scott, Eleanor Smith, Betty Tressler, Sylvia Warren, Herbert Wetzel, Sylvia Williams and Suzanne Ziegler. Completing the list of graduates

SENATE RIDER SEEN AS NUDGE TO BRITISHERS

WASHINGTON (AP)—Sen. Aiken (R-Vt.) today denounced an invasion of the presidential foreign policy-making field a senatorial proposal to cut off U. S. contributions if the United Nations admits Red China.

But Sen. Mundt (R-SD) predicted the proposal—up for Senate debate today as a rider to the annual money bill for the State, Commerce and Justice Departments—will be adopted as a nudge to the British to change their Far Eastern policies.

Mundt said that if Congress approves the rider it ought to be taken by the British as a word of caution that some similar action might be forthcoming to tie up foreign aid funds for nations which support the Chinese Communist bid for a seat on the U. N. Security Council.

Complicated Question
Chairman Wiley (R-Wis.) has predicted the Senate Foreign Relations Committee won't approve any such limitation on the foreign aid authorization bill.

British leaders have indicated they will back Red China's bid for a U. N. seat if there is a satisfactory settlement in Korea.

There has been disagreement as to whether the admission of Red China is subject to veto in the U. N. The question is not simply the admission of a new member, since China is a permanent member of the Security Council. The seat is now held by Chiang Kai-shek's Nationalist government.

In 1940, use of DDT practically eliminated malaria in Sicily where it had been a scourge for centuries.

Aged Telegrapher Collapses, Dies

READING, Pa., (AP)—Robert F. Petree, 70, an Associated Press telegrapher for 43 years, collapsed and died yesterday of a heart attack while en route to church.

He had been a telegrapher for 54 years and served in AP offices in Washington and various offices in Pennsylvania. For many years before his retirement in 1951, he was associated with the Reading Times.

Since 1951, he worked one day a week as a relief operator for his brother, Minor, AP telegrapher in the Reading office.

Also surviving are his parents, his widow and three sisters. His father, John, 93, and his mother, 86, recently observed their 71st wedding anniversary.

36 HURT WHEN STREAMLINER IS DERAILED

SUPERIOR, Mont. (AP)—An electrified streamliner left the rails in Montana's Bitterroot Mountains yesterday and 36 persons were hurt as five cars spilled down a bank. Sparks from broken power wires set two others afire.

A broken rail was blamed for the wreck of the Milwaukee Railroad's eastbound 10-car Olympian Hiawatha five miles east of this Western Montana community of 575.

Most of the 163 passengers were asleep as the train, bound from Seattle to Chicago, cracked up rolling through a valley in the Bitterroots some 60 miles northwest of Missoula, Mont., and 150 miles southeast of Spokane, Wash.

Sparks snapping from broken and downed power lines fired a

DEMAND ACTION ON TAX MEASURE OR ADJOURNMENT

HARRISBURG (AP)—The Democratic minority intends to press for immediate adjournment of the Legislature and a special session in January if Republican leaders don't produce an acceptable tax program next Monday.

Rep. H. G. Andrews, Democratic leader in the House, made his position on adjournment known over the week end.

"I think it would be better to adjourn this session and come back for a brief special session next January," he said. "Certainly that would be a lot cheaper. And it would also eliminate the unsettling effect that a protracted session has on business and the people generally."

He said a special session in January to work out fiscal problems would be more beneficial than the present situation because "cooler heads would prevail."

"There is no sense in dragging out the session all year with a lot of recesses while the Republicans try to put together an acceptable tax program."

The Legislature was forced to

recess this week because of the lack of hotel space in Harrisburg. The same situation will prevent meeting later this month and possibly some weeks in July.

Representatives and senators are paid \$3,000 for a regular session and \$500 for a special session up to 30 days. If a special session lasts longer than that they receive \$750.

Andrews suggested that after adjournment Gov. John S. Fine would be able to "make economies he proposes" by following recommendations of the State Government Survey Committee needing only executive action.

FIND PLANS FOR H-BOMB PLANT IN STOLEN CAR

CAMDEN, N. J. (AP)—A set of blueprints for the Savannah River hydrogen bomb plant now under construction at Aiken, S. C., was reported found by Camden police while searching a stolen car yesterday.

Authorities said the prints, described as piping drawings, were marked "restricted and security information." Six young men in the auto were arrested.

The car is owned by Benjamin L. Tabor, a chemical engineer of Rochester, N. Y. He is an employee of the E. I. du Pont de Nemours and Company of Wilmington, Del., which is constructing the plant for the Atomic Energy Commission.

Confirmed By FBI

The discovery was confirmed by the Philadelphia office of the FBI, which said an investigation was under way.

Tabor was quoted as saying he left the plans in his auto, which he parked at the International Airport in Philadelphia before taking a plane home. The FBI said the prints are being impounded pending Tabor's arrival from Rochester.

The six boys, all of whom denied any knowledge of the presence of the drawings in the glove compartment of the stolen vehicle, were slated on larceny charges. They were arrested after driving recklessly into a gasoline station where police were investigating a minor accident.

Garden And Building News

The Gould: Spacious, Early-American Type

Rooms Eight
Bedrooms Four
Closets Ten
Cubage: House 27,000 ft.
Garage 4,200 ft.
Dimensions 37' x 26'

Although it contains seven spacious rooms, "The Gould" is economical to build because it measures but 37x26 feet in overall dimensions.

The roof overhang and the ornamental drops add to the attractiveness of the house exterior; the overhang also provides extra living space for the second floor.

Either an all wood or a combination wood and masonry finish, as in the illustration, can be used with equally attractive and effective results for "The Gould."

Somewhat protected by the second story overhang, the front doorway is itself very attractive. Glass panels in the upper section of the door add decorative appeal and at the same time serve the practical function of admitting light to the entry hall.

Both the dining and the living rooms open directly off the entry hall which connects with another hallway leading to the other rooms on the first floor of this house. A large closet is conveniently located in the further section of the right wall in the hallway.

Spacious Living Room

Measuring 24'6"x13'6" the living room is a spacious, pleasant and well planned room. Three windows provide plenty of light and ventilation for the room and also add decorative appeal. Located in the center of the left wall, the fireplace also serves both a practical and decorative purpose.

Almost directly across the entry hall from the living room is the 13'6"x12'6" dining room. The three windows in the front wall takes top decorative honors in this room; plan your color scheme and furniture arrangement accordingly. Extra light and ventilation is provided by the window in the right wall.

To save yourself steps when you're serving meals in the dining room as well as when you're clearing the table afterwards, be sure to place your dining room table and chair set as near to the doorway from the kitchen as possible. And if you'd like extra china storage space, have cabinets built into the two left corners of the room.

Larger than many of the kitchens found in modern homes, the kitchen is planned as work center yet contains enough area for a good-sized breakfast nook in the right front corner of the room. Working counter, cupboards and cabinets are arranged in a U along the left, back and right walls of the 13'6"x12'6" room. Located under the double windows in the back wall, the sink is centered in the line of working counters. The stove is placed at the right end of the array of counters.

You'll find the broom closet, in the left front corner of the room, a convenient storage spot for your brooms, mops, and all types of cleaning equipment. Placed right next to the broom closet is the refrigerator which is located just a few steps from the working counters and but a short distance from the stove.

Attractive Features

The utility room is reached through the door in the right kitchen wall. Two windows and a door in both the front and back walls of this room provide plenty of light and good ventilation, as well as easy access to both the front and back yards. That last-named factor is especially appreciated on washdays.

Protection both to and from the garage is provided by the utility room. Measuring 20'x12' the garage itself receives ample light and ventilation from the window in the right wall. Large enough to hold a work bench for the home handy man, the garage has good overhead storage space.

All the bedrooms on the second floor of "The Gould" have cross ventilation and good storage space. A central hallway connects all the bedrooms, the two bathroom (placed between the two front bedrooms) and the lavatory, placed between the two rear bedrooms.

Both the right back bedroom and the left front one measure 12'x11'6" while the remaining two bedrooms each are 13'10"x12'6" in dimensions. As the left back bedroom has the most storage space (it contains three good sized closets) it is most suitable for the master bedroom. The right front bedroom has two closets and could be shared by two youngsters.

Things Of The Soil

FACTS ABOUT POISON IVY

Poison ivy is one of the true nuisance plants. And while not all persons are subject to the painful irritations contact with it causes, yet so many are its victims that nothing short of complete extermination should be practiced wherever the plant occurs. With the season here when cases of ivy poisoning will be common, every person, urban as well as rural, should know how to recognize the vine, what to do to prevent poisoning, how to relieve the irritation, and particularly how to get rid of the plant.

Unnumerable cases are on record where beautiful and valuable specimens of Virginia Creeper and Boston Ivy have been needlessly destroyed because their foliage somewhat resembles the leaves of poison ivy. Too, confusion occurs in useless efforts to avoid several other plants because the public in general is not certain about identification of this plant. But the old rule remains simple — Leaflets three, let them be. Varieties of poison ivy differ slightly in leaf form and even in color, but in all cases the leaves are borne in groups of three.

The poisoning agent is an oil found in the plant's sap. In many cases direct contact with the foliage is not necessary to become affected by the oil. There are instances where moist morning air blowing from a poison ivy plant toward a highly susceptible person has caused severe irritation.

One of the most reliable means of prevention is to wear protective clothing when entering areas where the vine grows and particularly to wash exposed parts of the body soon after with strong soapy water, following with several rinsings. In other words, remove as much of the oil as possible as soon as possible.

Another method of preventing the irritation is to coat exposed skin surfaces before expected exposure with a preparation of 5 parts ferric acid, 25 parts glycerin, 25 parts alcohol, and 50 parts water. Persons susceptible to ivy poisoning should always have a bottle of this with them for application before contact with the vine. Many persons say that a coating of olive oil or cottonseed oil greatly minimizes poisoning dangers.

Once the irritation begins, which may not occur for several hours after contact, relief can be obtained by applications of a solution made by dissolving a 5-grain tablet of permanganate of potash in one quart of water. The brown stain may be removed later with lemon juice.

A simple home remedy is to bathe the affected area with a solution made by dissolving two heaping teaspoonsful of Epsom salts in a cup of water. Application of ice bags brings much relief.

Poison ivy is not difficult to eradicate if warfare on it is begun in the spring while the soil is still moist and the long roots are easy to grub out. Grubbing later is futile because so many roots break off that growth is actually multiplied. Of course, the grubber should be a person who is immune to the plant's poison.

One application of 2-4-D or one of the other widely used chemical weed killers will usually kill the plant. If applied from a sprinkling can instead of by a spray there will be less danger to trees, shrubs, vines and other nearby plant life.

Keep a pair of scissors in a kitchen cabinet drawer and use it for cutting bacon into small bits for casserole or muffin toppings, for mincing parsley, and for quartering marshmallows. When using the scissors for the marshmallows, wet the blades first.

Hedges And Background Plants Grown From Seed

Plants with decorative foliage are especially useful to new home owners who need screen and background planting at small expense, quickly effective. If landscape plans have not fully taken shape and it is desired to test the effect of a large shrub in a certain place, before actually planting it, the gigantic castor bean can be grown in a few weeks.

From one small bean can be grown a beautiful plant eight feet tall and as large in diameter. The leaves are huge, beautifully shaped of bronze or maroon coloring. The Zanzibar strain will produce plants 12 feet tall, in favorable locations, with rich soil and plenty of water.

For a low hedge around a flower planting, or to serve any similar purpose, the fine leaved fire plant Kochia childsii is excellent. Conical bushes 2 1/2 feet high with fine light green foliage can be grown singly or close enough together to be trimmed as a hedge. In the late summer the leaves turn to crimson.

The softly brilliant coloring of coleus plants reach their full brilliance in a sunny location, and will grow quickly from seed. A mass planting in a front yard focal point is highly decorative. New leaves develop throughout the summer and the colors never fade.

Bushes four to six feet tall can be grown from seed of Tithonia, sometimes called the golden flower of the Incas. This bears flowers of bright orange, about two inches in diameter. The variety Torch grows

three to four feet, and is more compact with earlier flowers.

In hot, sunny locations, Amaranthus tricolor, often called Joseph's coat after the Biblical story of the coat of many colors, will attain its finest coloring. The inner foliage is of blackest bronze, tipped with green, the outer bright scarlet and gold.

Heavy-leaved plants should be relieved by those of finer character in the border. Some of the ornamental grasses easily raised from seed are useful for this purpose and are often seen associated with canna, castor beans, or the fancy leaved caladium.

The ornamental grasses, both annual and perennial, give excellent decorative effects. The pennisetums, pampas grass (erianthus) and eulalia with green and white leaves are all attractive.

INSTALL DIAL PHONE SYSTEM IN EMMITSBURG

Workmen employed by the Norman Elzler Contracting Co., Frederick, began the work of resurfacing Emmitsburg's two main thoroughfares, Routes 15 and 32, last week. The laying of blacktop began at the square and continued on W. Main St. and E. Main street to N. and S. Seton Ave.

Spokesmen for the Frederick road contractor said the repaving will take several weeks to complete.

Estimated cost is \$30,000. The work was authorized by the State Roads Commission. As part of the repaving plan the blinker in the center of the square was removed some time ago.

In conjunction with the resurfacing project, the Emmitsburg Water Co. has been busy the past two weeks raising 30 man-hole covers an inch and a half to the new grade. The fire hydrant formerly in the center of the square has been removed to a location in front of the Farmers State Bank.

Your Henry J is designed with fewer, less expensive parts—for quick and low-cost service! Up to \$50 less per year! No wonder it has scores of thousands of satisfied owners! P.S. No need to buy seat covers—Henry J's interior is washable vinyl!

you save up to \$60 on fees!
Federal, state and local taxes, plus interest charges and insurance costs, play a big part in the price of every new car the first year—but you'll find there's far less to pay the Henry J way! Another good reason why 80,000 new Henry J owners are mighty satisfied!

low as \$9.49 a week!
Little more than \$1 a day—low as \$9.49 a week—if your trade-in car is an average postwar model in good condition! Your Kaiser-Frazer dealer is ready to offer you an "extra-special" generous trade-in, too! So see your Kaiser-Frazer dealer about your new Henry J now!

smartest car you ever owned!
It's not just the extra money you save—it's the extra comfort—the extra ease of driving and parking that makes you glad you own the Henry J!

See your Kaiser-Frazer dealer for equally generous trade-in savings, too.

Thousands

(Continued from Page 1)

will see the Queen on her way to and from her crowning in ancient Westminster Abbey before 7,500 distinguished and invited guests.

30 Million More On TV

An estimated 30 million other Britons will watch the spectacle on television.

For some it was a particularly joyful occasion. In her last official action before the coronation, Elizabeth handed out ranks and honors to some 4,000 Britons.

Among those knighted were two of Britain's most popular sports figures—World Champion Jockey Gordon Richards and Jack Hobbs, veteran cricket star.

The Queen's newest honors list marked her majesty's coronation and also her official birthday on June 11. It rewarded Britons in all walks of life for service and seniority.

Gardener Dies

A somber note was added, however, in the death yesterday of William Hepburn, 64, the Queen's gardener, while tending 33,000 special blooms he had grown for the coronation in Hyde Park. He had been awarded the Royal Victorian Order, Fifth Class, in the honors list.

Young Queen Elizabeth may go to Westminster Abbey some time tonight to pray on coronation eve just as did her father, King George VI, before he was crowned 16 years ago.

Yesterday, Trinity Sunday, the Queen worshiped in the gold-paneled Queen's Chapel in the grounds of Marlborough House, where Queen Grandmother Mary lived and died.

With oil money the Board is rebuilding the vast irrigation system of the Tigris-Euphrates valley, in addition to an ambitious building program of schools, industries and communications.

Foreign experts estimate that completion of the Tigris-Euphrates system will bring Iraq's farm production to a value of 560 million dollars a year, compared with 190 million maximum from oil.

Long Term Program Iraq has a five million population. Completion of Development Board projects will make room for at least 20 million.

All this looks rosy, but it may be too "long-term" to suit a country demanding reduced taxation and lower cost of living.

Income taxes and land taxes are particularly unpopular among the powerful land-owning classes in Iraq.

When the Board was set up in 1951, all government revenues from the Iraq Petroleum Company were assigned to it. Early in 1952, however, the government diverted 30 per cent of oil revenues to the government budget, thereby adding almost 50 per cent to the budget. The excuse was that a rapidly-developing country was more costly to govern.

The proletariat demands reduction in the price of bread. To reduce the cost of living, customs tariffs and taxes on food and basic commodities were cut. This left a hole in the government budget which oil funds filled.

More Money For Army Many militarists believe Iraq oil money should pay for a powerful army with which to crush the hated State of Israel. Long-term economic projects could come later. The government already has made plans to divert more board money for the army.

RICE CEREAL IS USED IN RECIPE

By CECILY BROWNSTONE
The Associated Press

Here's a recipe for an unusually delicious and different meat loaf. Its secret lies in the quick-cooking rice cereal it calls for, which helps it stay moist and flavorful. Rice cereal is also used in this luncheon casserole that has the double virtue of tasting good and being out of the ordinary.

SPANISH MEAT RING

Ingredients: 1/2 pound chopped raw beef, 1/2 pound chopped raw pork, 1 egg, 1/2 cup quick-cooking rice cereal, 1 1/2 teaspoons salt, 1/2 teaspoon pepper, 1/2 teaspoon oregano, 1/4 cup finely diced onion, 1 cup cream-style corn, 8-ounce can tomato sauce, 1 teaspoon kitchen bouquet.

Method: Mix together meat, egg, rice cereal, salt, pepper, corn and 1/4 cup of the tomato sauce with hands or kitchen fork. Pack into greased ring mold — about 4-cup size. Bake in moderately hot (375°F) oven about 1 hour. Turn out. Mix together remaining tomato sauce and kitchen bouquet and brush meat ring with it. Return to oven for about 5 minutes. If desired fill center with freshly cooked buttered carrots and peas. Makes 4 to 6 servings.

LUNCHEON CASSEROLES

Ingredients: 2 cups water, 1/2 teaspoon salt, 1/2 cup quick-cooking

rice cereal, 1 egg (beaten), 1/4 cup butter or margarine, 2 tablespoons fat, 1/2 cup thin strips onion, 1/2 cup diced green pepper, 1/2 cup diced celery, 1 teaspoon kitchen bouquet, one No. 2 can kidney beans (drained), 1/4 cup seedless raisins, one 8-ounce can tomato sauce, 1/2 teaspoon salt, 1 teaspoon sugar, 1/2 teaspoon pepper, 1 teaspoon chili powder, 1/2 cup grated American cheese.

Method: Bring water and 1/2 teaspoon salt to boil in saucepan. Sprinkle in rice so boiling doesn't stop. Cook and stir constantly until beginning to thicken, about 1/2 minute. Remove from heat, cover and let stand 3 minutes. Stir into beaten egg. Mix in butter. Let stand uncovered while preparing filling. Melt fat in skillet. Add onion, green pepper and celery. Cook over moderate heat 10 minutes, stirring often. Stir in kitchen bouquet. Lightly mash drained beans; add to onion mixture. Add raisins, tomato sauce, 1/2 teaspoon salt, sugar, pepper and chili powder; mix well and bring to boil. Meanwhile place all but 1/2 cup of the cooked rice in 4 greased individual baking dishes. Pour filling over top of rice. Bake a spoonful of the remaining rice in center of each casserole. Sprinkle cheese over tops. Bake in moderate (375°F) oven until cheese is melted and lightly browned — about 30 minutes. Serve at once accompanied by a green salad. Makes 4 generous servings.

Add a couple of tablespoons of finely chopped celery to a serving of cream of tomato soup for good flavor and crunchy texture.
